- Delo® ELC Antifreeze / Coolant Concentrate and Premixed 50/50
- Delo® XLC Antifreeze / Coolant Concentrate and Premixed 50/50
- Delo® XLI Premixed

The product recommendations provide general guidelines for use in construction. All manufacturers have different coolant and lubricant requirements and recommendations. It will be important to contact a Caltex representative at 0800 733 835 or refer to the Original Equipment Manufacturer manual to confirm the proper product is used for the application.
